

Oak Class

During our Spanish lessons the children will learn by using a variety of songs, games and stories. They will use the practise and learn CGP Spanish book (ages 9 – 11) to practise their Spanish reading, writing and understanding as well as other written work, usually taken from the Twinkl website. The stories used are the ‘one third stories’. These stories use a clockwork methodology which use a unique approach to language learning that gradually introduces children to new words and phrases through beautifully illustrated stories. The stories begin in English, capturing children’s imaginations and providing a clear and familiar context. Gradually, new words from the children’s new language are introduced. The playful images help the children remember the new words and phrases. As the story progresses, new words develop, whole sentences and eventually whole pages in the children’s new language.

Autumn term

In the autumn term we look at greetings such as hello, good afternoon/evening, how are you? Very well, thank you, quite well, goodbye, goodnight, see you soon, well thanks, not very well.

We will also be looking at how to ask someone’s name, how to tell someone your name, how to ask what he or she is called and how to tell someone what he or she is called, how to ask what a group of people are called and how to tell someone what they are called.

During this term we will look at numbers 1 – 30. We will learn how to ask how old someone is and how to tell someone how old you are. We will learn to ask how old he or she is and how to tell someone how old he or she is. We will also learn to ask how old they are and how to tell someone how old they are.

Before Christmas we will learn and perform a Christmas song and learn some Christmas greetings.

Stories used during the autumn term and additional language learned.
