

Longden CE Primary School and Nursery

PE and Sport Premium Funding 2026-27

At Longden CE Primary School, we are committed to ensuring that all pupils develop the knowledge, skills, confidence and motivation to lead healthy, active lives.

We use any funding we receive to enhance the quality of physical education, sport and physical activity across our school, providing additional opportunities that have a sustainable and lasting impact on pupils' wellbeing, participation and achievement. The funding is used in line with the Department for Education's guidance and conditions of grant.

Our priorities for 2026-27 are to:

- Increase engagement in regular physical activity for all pupils.
- Raise the profile of PE, sport and healthy lifestyles across the school.
- Develop staff knowledge, skills and confidence.
- Broaden the range of sports and physical activities available to pupils.
- Increase participation in competitive sport and festivals.
- Ensure all pupils, regardless of background or ability, can access and enjoy physical activity.
- Continue to develop sustainable improvements that will benefit future cohorts of children.

We publish details of our funding allocation, spending, impact and sustainability measures in accordance with Department for Education reporting requirements.

We have also completed and returned the DfE digital report for PE and Sport Premium directly to the Department for Education.
